The antique picture frame on the cover of the 1958 Pleiades was chosen to represent the 65 years of guidance and education rendered by F.U.H.S. The picture you find on the front flyleaf is of our freshman bull ring tree soon after it was planted in 1914.

"Dick"
Well next year you will be president, I sure am looking forward to that, also we will be mostly seniors, and I hope we will have a great football team. I tell you I am one of the luckey guys who got to be your friend, and I hope I will get to know you real well next year, how much more can I know you. This brick building on the corner of Wilshire and Lawrence was the first Fullerton Union High School building.

The class pin of 1906.

The first Orange County Superintendent of Schools, J. P. Greeley.

The first FUHS annual, "The Lucky Thirteen", was named for the thirteen graduating students of the class of 1905. It sold for ten cents.

This Fullerton Union School building, built in 1906, was on West Commonwealth where Amerige Park is now located.

This school bus, the first bus built in Fullerton, was made in John Gardiner's Blacksmith Shop. Fullerton Union High School District was the first district in the United States to have school bus service.

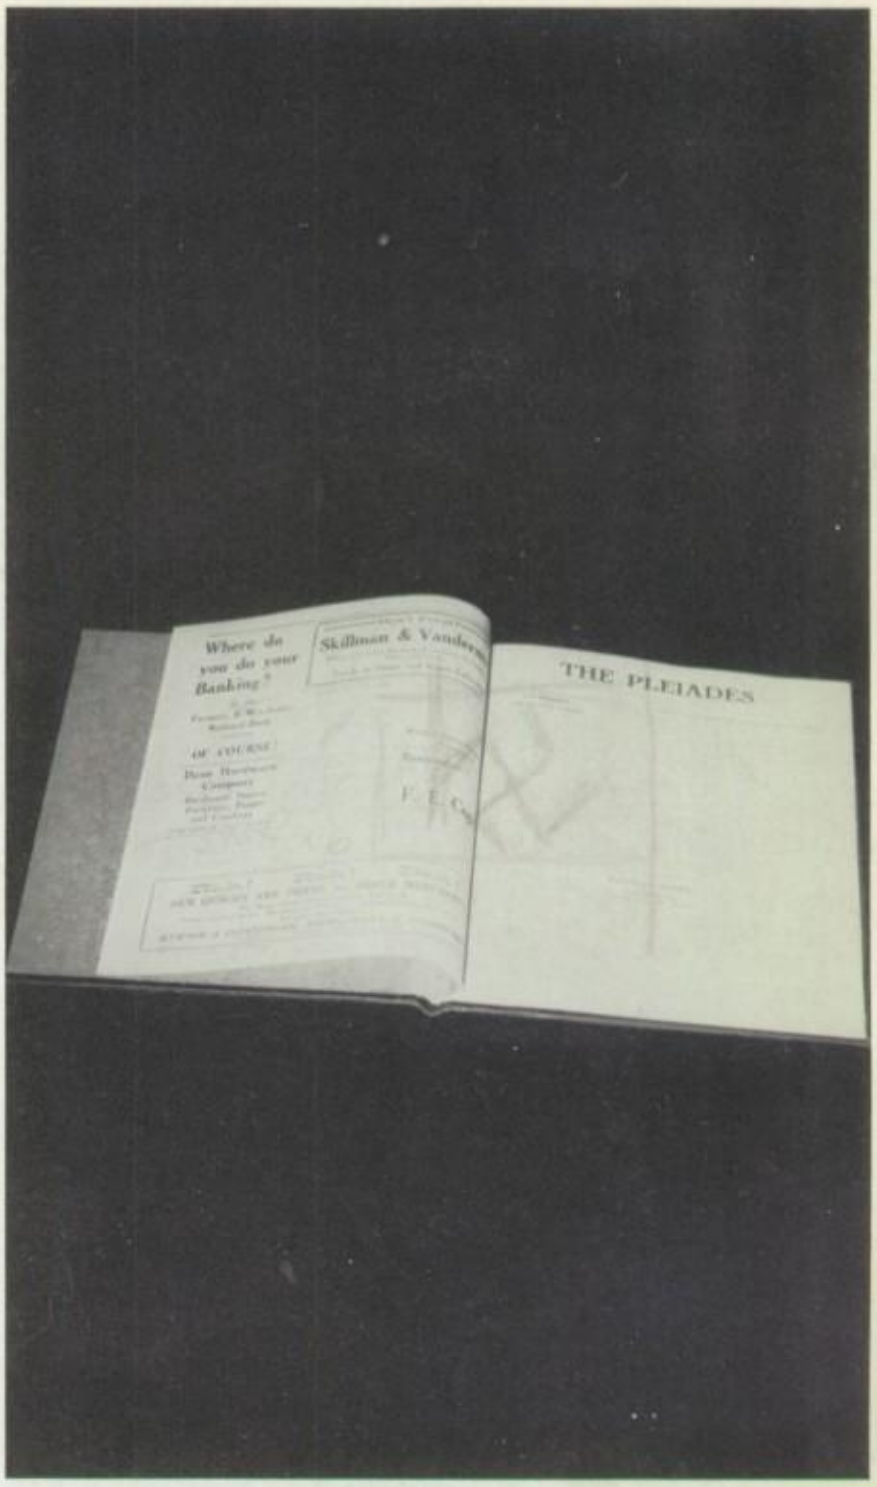
We hope that here, within the frame covering the 1958 Annual Pleiades, we have placed a true picture of our school. Included in the picture are some of the school's sixty-five years of history. We feel that each member of the student body should learn some of that history, and we hope each will be proud to know it. Therefore, let us view the past.

Soon after July 5, 1887, the birthday of Fullerton, a petition was sent to the supervisors of Los Angeles County in order to form a Fullerton School District. The petition granted, school opened in September of that year with Edwin Clark as principal. A daily average of forty students is shown by the annual school report for that year.

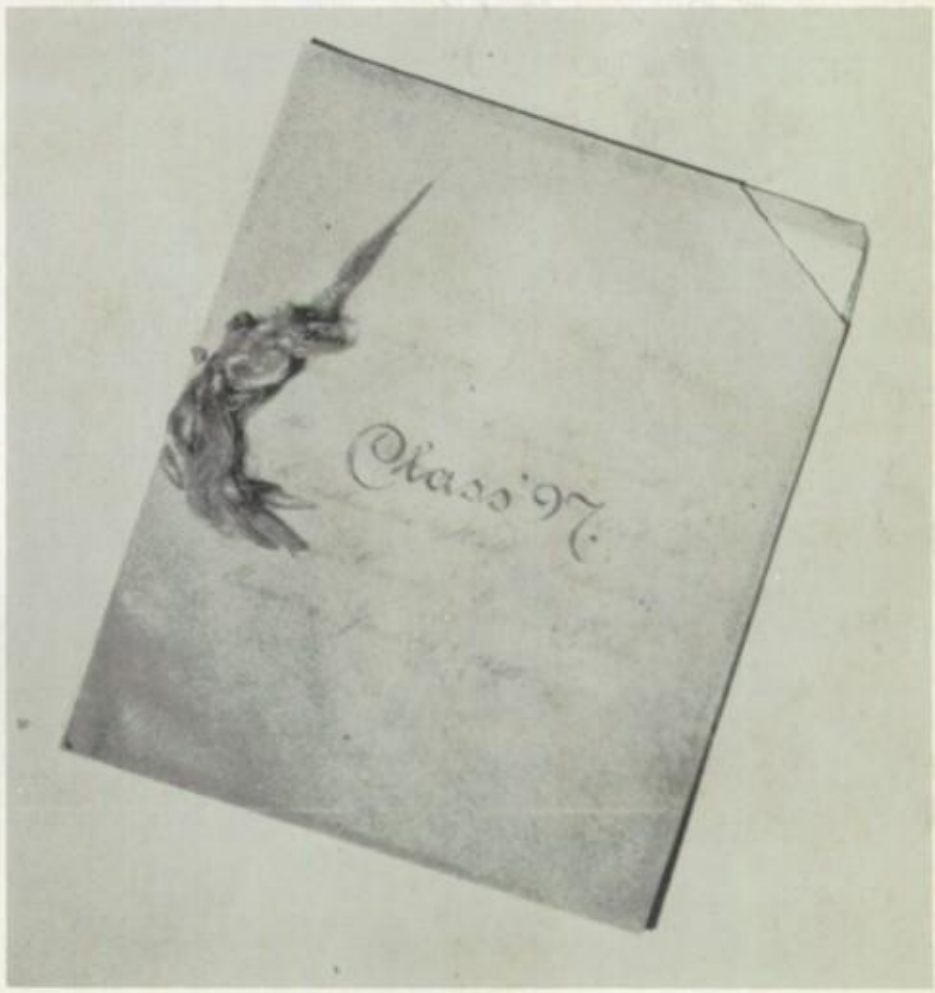
In 1892 W. R. Carpenter canvassed the homes in Northern Orange County urging students to continue their secondary education. During the summer of the same year William Starbuck and Alex McDermont surveyed the area in order to determine its educational needs.

Consideration of the establishment of a high school for Fullerton was made official in 1893 when elections were held. The first two elections were unsuccessful simply because of a lack of voters at the polls. In the third election, due to the efforts of three men in the community who insured enough votes by hiring men to go to the polls, sixteen votes were cast, and FUHS came into being.

by Valene Michel



The earliest preserved edition of the "Weekly Pleiades" is the one pictured above, published in 1914. It is now bound in a book containing other early editions and is kept in the school library.



Pictured above is an announcement of the commencement exercises of Fullerton High's second graduating class.

In the past 65 years, Fullerton High has developed from a student body of eight housed in one upstairs room of the first elementary school building, pictured at the left (now the site of Wilshire Junior High), to our present high school with a student body of 2500. But our large growth and expansion would not have been possible without the many long hours of work contributed by the school's founding fathers and early participants. These people, together with all the students and faculty who have been connected with FUHS, created a tradition that has been enhanced rather than forgotten by the years — the tradition that is Fullerton High School. This tradition belongs to each one of us — it is ours to preserve for the generations to follow. And to our traditions, made of dedicated personalities and memorable events, we dedicate the 1958 Annual Pleiades.

What could better represent our school and what it stands for than the words of our Alma Mater?

We are proud of all thy prowess, Fullerton!
And we thy colors bravely bear,
We will be thy loyal subjects ever;
Joy and grief we alike will with thee share.

We have watched thy progress ever
With hearts so full of love for thee;
We rejoice that in the years before you
Thy future ever brighter still we see.

Men of F.H.S., now grasp your standard—
Ne'er let the glorious emblem fall,
For our red and white must win the conflict
For the honor of the school so dear to all.
CHORUS
Oh, F.H.S., they name we love,
And ever staunch and true you'll find us;
We'll stand by thee through all eternity,
The red and white, so true!

Dick,

I'm not a member of the administration but I and a member of the Student Body and I will say that it will be a pleasure to serve under your terms of presidency.

I make it a point to be on the good side of all the important people at school and in my opinion the President of the Student Body is the most important person in the entire school. I knew Terry Phillips and I knew you. I must say I'm very much ashamed of myself for meeting you after you had been elected because that makes me look agressive and I'm not really.

It's been loads of fun knowing you during my junior year and I only hope it will be as much fun during my senior year.

Lots of luck all through your life. You really deserve a good time and if somebody decides they don't like you, don't worry about it. They're the ones who aren't worth knowing.

Hope you remember me.

With our Board of Trustees rests the responsibility for planning and implementing the educational facilities and programs best suited to meet the needs of young people in our district. In providing for these needs they have added two new high schools and are now completing plans for the building of our fourth high school. Similarly in 1893 Board members William Starbuck, B. F. Porter, A. S. Bradford, and Dr. D. W. Hasson were planning for opportunities in secondary education. Their objective was the rental of one room on the second floor of the Fullerton elementary school and thus the establishment of Fullerton's first high school.

District Administrators

Dr. T. Stanley Warburton has worked in many phases of the educational field. As Superintendent of the Fullerton Union High School and Fullerton Junior College Districts, he is constantly working to maintain and improve our high educational standards. He has done an especially outstanding job in planning for increasing growth. Evidence of such planning is the development of two new high schools and preparation for a third.

"Good Morning! Here are your announcements for today."

Many hours are spent on the telephone, discussing important school matters.

Mr. Cruickshank always welcomes students to his office.

Principal

Principal Donald Cruickshank in his second year as head of Fullerton High has led a continuously growing teaching staff and student body to even higher standing in California education.

The first person to serve in the capacity of principal was W. R. Carpenter. Receiving a salary of $125.00 a month, Carpenter, principal as well as the only teacher, instructed a student body of eight. This was the beginning of what has become our present high school plant.

After graduation of the tenth class in 1905, the school had issued only 67 diplomas, but since then thousands of students have graduated. The district's 1893 one room high school has grown to three large schools.

Fullerton students have brought many honors to our school in both educational and extra-curricular activities.

Dean of Girls

During her seven years as Dean here at Fullerton, Mrs. Spears has helped girls " . . . find the things that are best for them here at FUHS." Working with the Girls' League she has seen the girls become more service minded and thoughtful toward our school and community.

As our student body continues to expand it becomes increasingly more difficult to welcome and acquaint each new girl at Fullerton; but she hopes that the continued friendly attitude of the students will help counteract the less desirable effects of our increasing growth.

Dean of Boys

Dean of Boys, Robert Kill, has worked continually to help to further the educational standards of Fullerton High. As the growth of our school continues, Mr. Kill has been extending his services to act also as Advisor to the Student Body on Financial Matters. His work often extends to after school hours: advising, guiding, and participating in many youth activities.

For next year especially and all the other years generally — Good luck! Robert Kill

Coordinators

Tying together smoothly the activities of the many different departments at FUHS is the main job of our busy high school coordinators. Working tirelessly, they have maintained the high regulations and standards that are a part of Fullerton High.

Counselors

The position of counselor, first held by Glenn Lewis, our former principal, was created in 1939. Growth in the student body necessitated expansion of this advisory staff. This year its five members have again contributed to a successful school year for students.

Teachers

A very obvious change in F.U.H.S. was the size of its faculty. In contrast to one teacher in 1893 instructing a one-room class, the '57-'58 faculty consisted of almost one hundred twenty teachers instructing us and guiding us through the year.

The honor of 1958 Valedictorian was awarded to Linda Neschke. Linda has taken part in many school actvities during her four years at F.U.H.S. During her senior year she was Annual Pleiades Editor. Her other awards include Bank of America Award and National Merit Scholarship letter of commendation.

The year 1958 brought Fullerton's first foreign exchange student, Gunnar Serck-Hanssen. Gunnar has been in Fullerton for the past school year. He has been active in track and has been a member of several school clubs. Gunnar is from Oslo, Norway. He says that he finds school much easier here at Fullerton than in his own country.

Thomas McFadden was one of the two students who graduated from the first senior class at Fullerton High School in 1896. Our school has come a great distance from that first graduating class of two, when Mr. McFadden "drove back and forth with a horse and buggy," to our present graduating class of approximately 550.
Mr. McFadden resides in Placentia, where he has lived since boyhood.

Dear Richard,
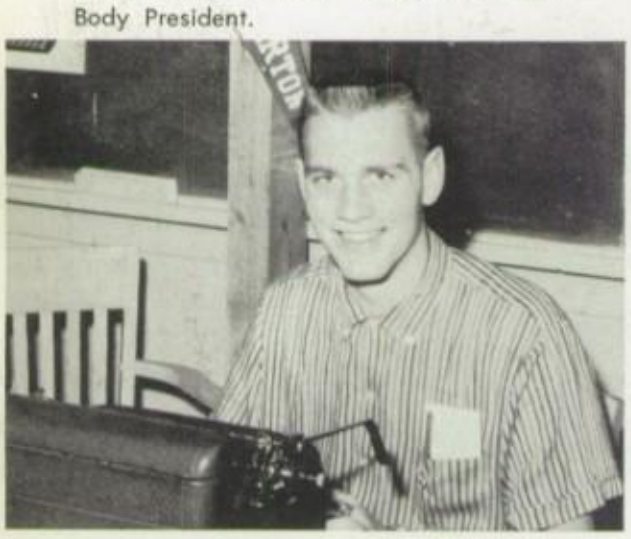
It is now exactly 1:00 o'clock & any halfwit would be asleep by now ← the night before graduation.

Activities

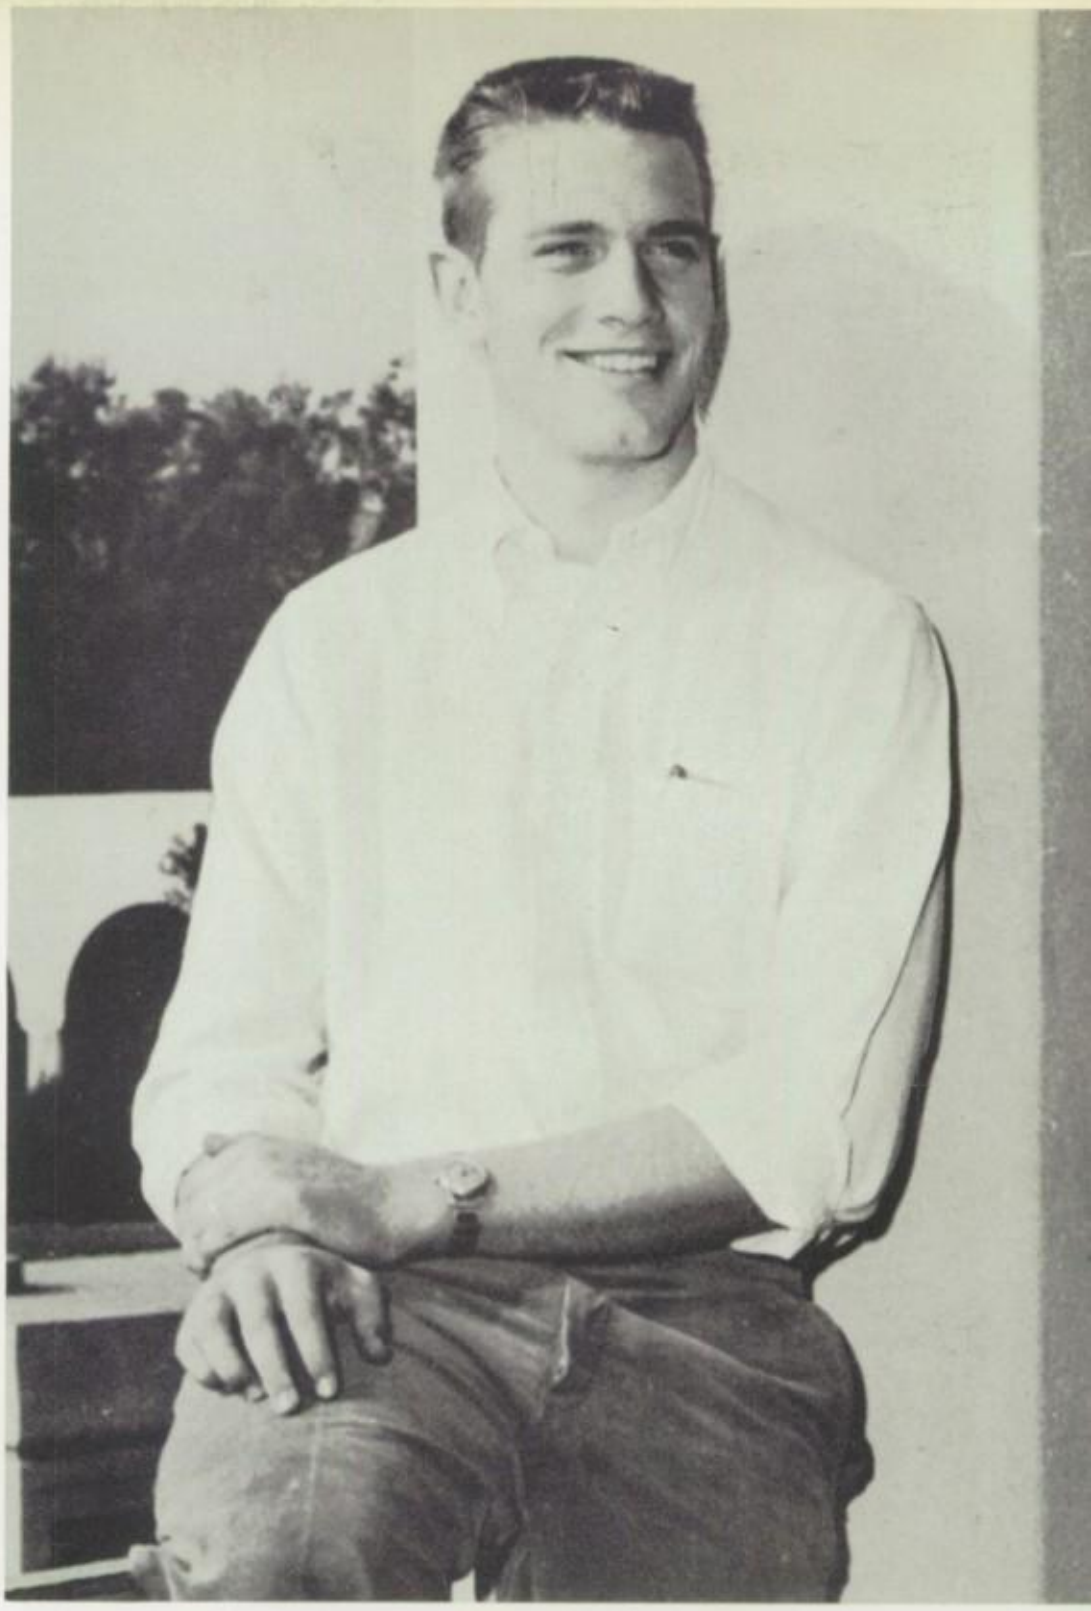
RAIN...
NO GAME TONITE

Every day problems arise, and Terry finds Mr. Moore's office a perfect place for solving them.

Terry realizes that his studies are as important as his many duties as Student Body President.



Another task is carrying on communications with other schools.



President

With Terry Phillips as Student Body President, the '57-'58 school year was filled with outstanding accomplishments. Terry attended Orange County Presidents' Association meetings and conferences. His friendly, easy going spirit put his fellow students at ease as he presided over assemblies and Executive Board meetings. He socialized with the students around campus and improved the student body morale. His motto for the year was: "Let's make this the best year ever."

In 1906, at the suggestion of the new principal, Mr. Brunton, the students of F.U.H.S. formed a student body organization.

The students were given the power to transact business and to govern themselves by means of rules made by the organization. They were subject only to the veto power of the principal.

The first Student Body President was Sue Hauser.

In 1917 separate student body organizations were developed for F.U.H.S. and F.J.C., but the Federated Student Bodies Commission was formed to prevent a complete break of the two student bodies.

One of Terry's more pleasant duties is that of crowning our lovely queens.

The student body officers did a fine job in representing us in their various offices. Their achievements and leadership were appreciated by all and made the year a successful one.

Girls' League Officers

The Girls' League, under the capable leadership of President Lynne Butler, was the first campus organization to sponsor an activity this year with their wonderful welcome to all freshman girls, the Big and Little Sister Party. Equally successful were the Dad and Daughter Banquet and the Girl Date Dance.
The major Girls' League project for the year was completely renovating the girls' locker room.

With the help of Miss Guthrie and the encouragement of other schools the year 1917 marked the institution of a Girls' League organization at Fullerton.

Among the successes of the League through the years has been the annual Big and Little Sister Party. These parties have been a part of F.U.H.S. tradition since 1919, when the "big sisters" treated their "little sisters" to lunch on the school's front lawn.

Because of the influence of Glenn Lewis, Boys' League activities were resumed on the Fullerton campus in the late 1940's.

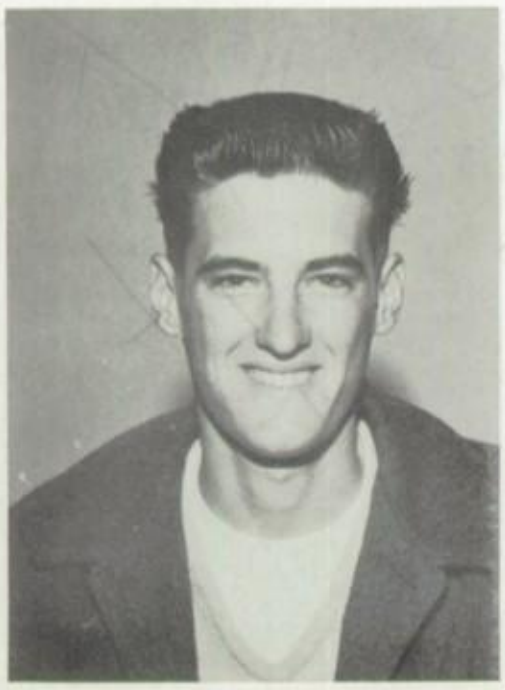
Boys' League Officers

Under the leadership of the Boys' League Cabinet the organization has been led through another successful year, highlighted by League assemblies. The boys were represented on Executive Board by President Bob McNamara.



Roger Pembroke
Secretary-Treasurer

The Boys' League Cabinet met to discuss campus problems.

Executive Board

Members of the 1957-58 Executive Board were: (left to right, first row) Lana Layton, GAA President; Judy Borgeson, Student Body Secretary; Kathy Reho, Weekly Pleiades Editor; Lynne Butler, Girls' League President; Margie Shearer, Public Relations Representative; Becky Chambers, Social Chairman; (second row) Linda Neschke, Annual Pleiades Editor; John Maschino, Boys' Athletic Manager; Phil Perry, Student Body Treasurer, John Stonebarger, Student Body Vice-President; Terry Phillips, Student Body President; Bob McNamara, Boys' League President; (third row) John Anderson, ICC President; Carl Gregory, Student Court Chief Justice; Scott Perley, Senior Class President; Waldo Nance, Junior Class President; Rick Paup, Sophomore Class President; Mike Hall (not shown), Freshman Class President.

Executive Board Advisors were: (left to right) Mr. Cruickshank, Mrs. Spears, Mr. Kill.

The Executive Board, meeting weekly, is responsible for performing all acts necessary to conduct the business of the student body properly, promoting student body athletic activities, and making rules governing student body activities and conduct. This year the Executive Board has been outstanding in promoting club chartering, continuing pre-Christmas and pre-Easter meditations, revising the Student Body Constitution, planning a student lounge, establishing an Executive Board supervision policy, emphasizing clean campus, and sponsoring successful fund raising activities.

Student Court

Our Student Court had its beginnings in 1915 when the Board of Control was formed. The board members, two boys, two girls, and the student body president, were to try all cases of campus misconduct on the part of students and submit their written decision to the principal. The duties of the present Student Court include interpreting our Student Body Constitution and judging cases of student misconduct.

The first annual of F.U.H.S. was the 1905 Lucky Thirteen. The small paper-bound pamphlet cost ten cents and it listed, not pictured, the thirteen members of the graduating class.

When the J.C. was established, the annual was for both the F.U.H.S. and F.J.C. student bodies, until 1922 when the J.C. started publication of the Torch.

Homecoming Events Planned For Oldtimers

Fullerton's 61st annual Homecoming activities will be held tomorrow. Returning graduates of the class of 1932 will be honored.

Highlight of the day's events will be the crowning of Ann Chesley as Homecoming Queen and the presentation of her court at the Homecoming Dance to be held at the Fullerton Junior College gym. The dance will be from 9 p.m. to 12 p.m. and will be $2.00 per couple for students. For alumni the dance will be free with presentation of their 1957-58 Alumni Association membership card. Tickets for Alumni without Alumni Association membership cards will be $1.00.

Members of Ann Chesley's court will be Doris Fujino, senior attendant; Judy Butler junior attendant; Cheri Jewett, sophomore attendant; and June Kimbrell, freshman attendant.

"Oriental Autumn" will be the theme of the Homecoming Dance. Emphasis will also be put on the tower clock, gift of the Class of 1932.

Keith Williams of Hollywood and his seven piece orchestra and vocalist will be featured at the dance. Songs which were popular in 1932 will be emphasized.

Dress for the dance will be semi-formal according to Becky Chambers, student body social chairman.

The Homecoming Assembly which will start the day's activities will be held at 1:20 p.m. in the auditorium. All '32 alumni are invited to this tribute to their class.

Several of the acts featured in the assembly will be Jack Ringland singing "Goody Goody," Carolyn and Bobbi Bennett and Rick Carson with a song and dance act and Robin Randall and Ann Wildermuth doing a tap dance, according to Suzanne Streech, assembly committee chairman. This variety show promises to be very entertaining for both alumni and students.

The Special Reunion for the Class of '32 will be held in the conference room from 4:00-5:30 p.m. with refreshments served.

Approximately 450 people are expected to attend the Homecoming Banquet to be held in the cafeteria at 6:00 p.m.

Many of these activities were planned by the Alumni Association planning committee, working with Merritt Bush, Alumni Association president and Floyd Moore, co-ordinator of student activities.

The Homecoming Game will be held in Fullerton Stadium at 8:00 p.m. Section D will be specially reserved for the alumni.

Highlights of the game will be the traditional Indian Dance, a half-time show by the Indian Band, and the presentation of Queen Ann and her court.

Immediately after the game, the Homecoming Dance will be held.

First Assembly Held Wednesday

FUHS, September 25, 1931 — Merritt Bush, student body president was introduced for the first time to the freshman class in the assembly held last Wednesday afternoon by Mr. Redfern, vice-principal, who also extended a welcome to the freshmen and announced that there was 1225 students enrolled in school. In his speech, Merritt asked for loyalty to the school and cooperation of the students in this year's school activities.

It was announced that transfer slips this year are yellow in the cafeteria, white in study hall, and pink in the teachers' room. Heretofore they have all been white. No students will be allowed to transfer at the 2:30 period unless their transfer is signed by Mr. Redfern or Miss Kast.

The most heartily received announcement was concerning the athletics for this year. Mr. Plummer, principal, announced that the board of trustees was going to meet the consent of athletics this year and present each student with a ticket to all games free. He then spoke of the tuition for schooling. The district gives $1140 to each student who attends high school. The state $25 a student and the county $65 per year in order that each might get training in citizenship through the school.

The new song leaders, Audrey Houseworth and Katherine Davies, let the assembly in the school song.

Executive Board

CAFETERIA: Mr. Cruickshank reported that the cafeteria will be opened on Tuesday, October 22 if work continues to progress as it is now.

CONDUCT AT GAMES: Mr. Cruickshank stated that the conduct of one of the water polo players at a game held at Huntington Beach was far below the Indian standard. If anyone is accused of and proven to be guilty of such conduct he will be declared ineligable to participate in sports for the rest of the year.

PENNY PITCHING: Mr. Cruickshank asked that the pitching of pennies in the bullring area be stopped. If this practice continues someone is sure to be hurt.

UNITED DRIVE FUND: John Stonebarger announced that the campus United Fund Drive would have to be postponed until a later date.

STUDENT CONGRESS: Two Student Congress members have been appointed to check into the possibility of chartering buses to take students to the games that are held on other cities.

HAT CHECK CONCESSION: Becky Chambers reported that nothing had been done yet on the hat concession for the dances.

RECREATION ROOM: Becky Chambers reported that the old study hall could be made into a recreation room if rest rooms and soundproofing are added.

Pictured above is the 1957-1958 Homecoming Royalty, who will reign over the annual Homecoming Day's activities tomorrow. They are left to right: Cheri Jewett, sophomore attendant; Doris Fujino, senior attendant; Ann Chesley, queen; Judy Butler, junior attendant; and June Kimbrell, freshman attendant. Queen Ann and her court will be crowned at the Homecoming Dance which is being held in the Fullerton Junior College Gym. Some of the other Homecoming activities planned for tomorrow are the assembly, tea, banquet, game against Huntington Beach, and to climax the day's events the Homecoming Dance. Everyone is urged to attend the game and dance.

Seniors Hold First Meeting

FUHS, September 30, 1931 — Charles Webster, senior class president, presided at the first class meeting of the year held in the old auditorium last Thursday.

Dick Swank was elected senior representative to the board of control. Others nominated were Virginia La Grange, Ida Klose, Phylis Corcoran, and Robert Yeager.

Harriet Stillians passed out activity slips. She wanted to know how much space will be taken up in the annual. Students may add other activities later in the year for the slips will be filed in the journalism room.

Harriet Stillians also urged students to pay 50 cents at the bank for their senior pictures.

Mr. Jarrett recovered from his illness and started taking pictures last monday. The schedule for senior pictures is posted in the study hall in alphebetical order.

Junior Class Picks Sweaters

FUHS, October 3, 1931 — At the junior class meeting Thursday, the important subject of sweaters was discussed.

Kate Launer, chairman of the sweater committee, and Anna Johnson and Don Hobbs of the designing committee have been busy for some time. At last they have decided upon a black coat sweater with white trimmings and black and white Indian head.

Dance a Success

FUHS, November 20, 1931 — In a picturesque setting of a Japanese Garden, with an aroma of incense, about 100 High School and Junior College students attended the sport-cord dance given in the girls' gym last Friday.

Bill Doyle and Dorothy Dauser, boys and girls athletic managers, were host and hostess.

The float will be over 18 feet tall, and will feature the girls on different levels.

The nine girls that will be on the float are Nola Phillips, Janice Penn, Judy Adams, Barbara Pharris, Verna Mae Allen, Carol Swenson, Bobbie Bennett, Fay Admonsen, and Kay Armour (FJC).

Students Invited to Name New School

Many students who are now attending Fullerton Union High School will be "pioneering" next year with the opening of the fourth high school of the district on Cypress Avenue in Fullerton. Though no definite attendance boundary lines have yet been fixed, it is estimated that approximately 500 freshmen and sophomore will make up the first student body.

District administrators and Oswald Egertson, principal designate of the new school, have asked that the students at FUHS be invited to help name their new school by cutting out the blank on this page and suggesting names.

ON THE SIDE

By DONNA and KATHY

CONGRATULATIONS to all the Fullerton Indians for the very noticeable decline in such activities as firecracker throwing and trash can fires. Let's all try hard to keep up the good work so we can show those alumni tomorrow as well as all the visitors to our campus in the furture just how proud we are of FUHS!

ANNUALS will be on sale November 18-22. This will be the first sale of the year. You can order your 1958 Annual Pleiades for only $3.50 in the breezeway ticket office. For an extra 25c you can have your name printed on the cover in gold.

Richard,

First of all congratulation on your coming year as Pres. of the ole prison. I don't know you as I use. of the ole prison. et sure been great knowing you these past years. Maybe we can get some classes together next year. I sure hope so. I can't believe we're finally seniors. I don't know whether to be sad or happy. I don't get too tangled up with your office next year; I'd know it will be a big load. All I can think to say is behave yourself this summer and I see ya around.

A friend always

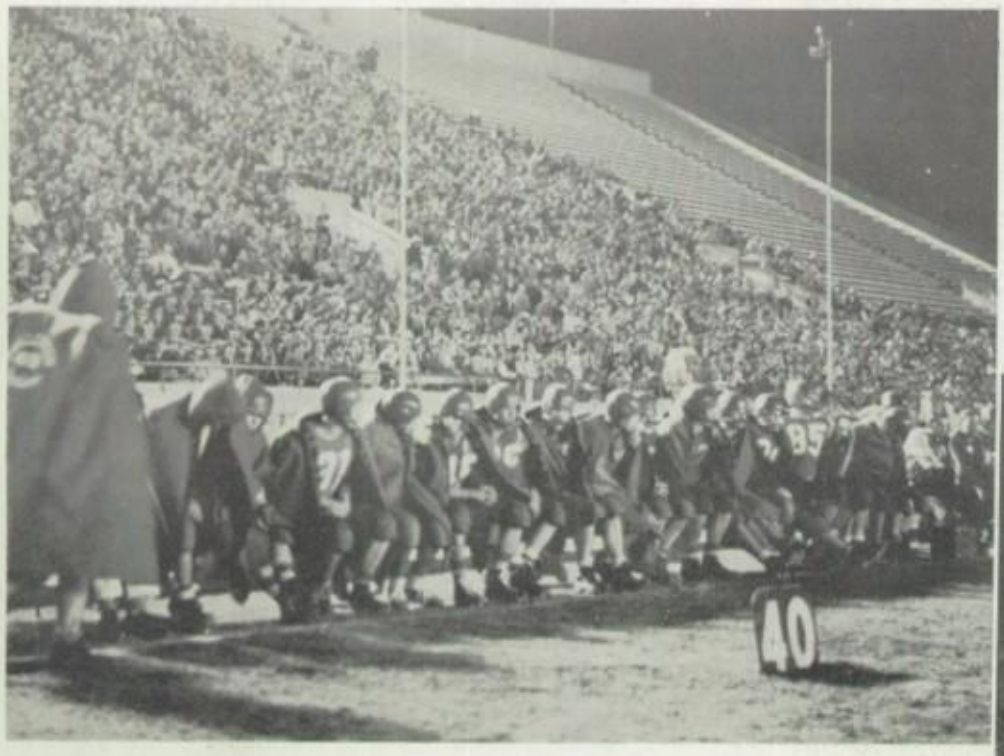
Fullerton–Downey

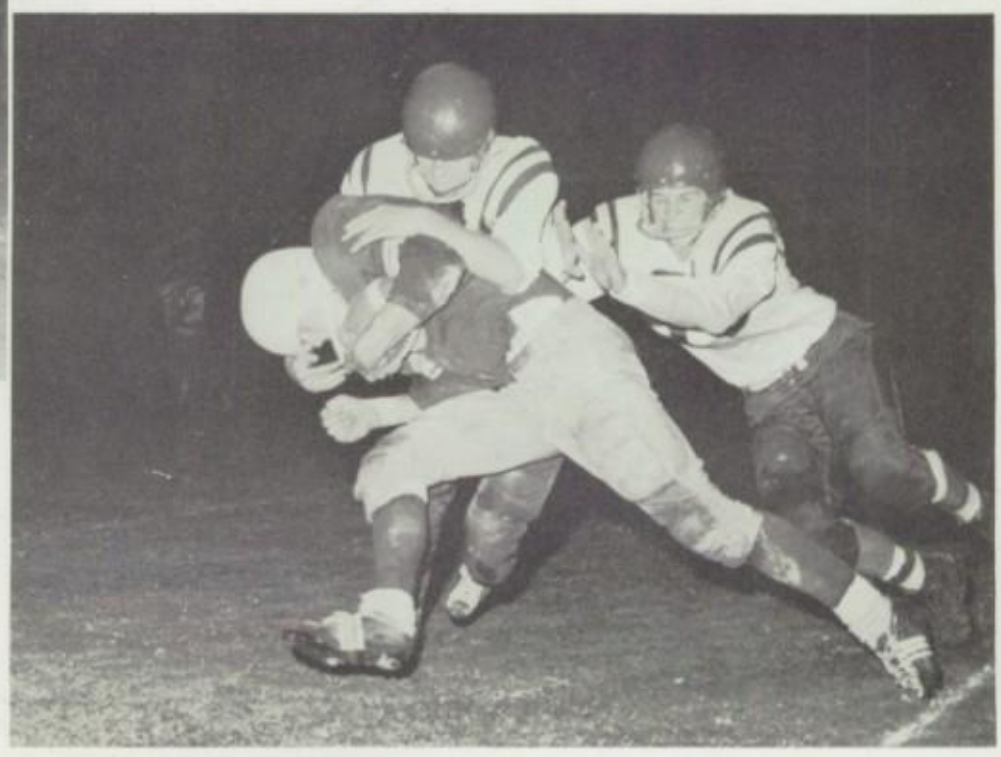


Thousands of spectators came early to watch the Indians prepare for the Wilson game.

The triumphant Indians!

Doug Hankins, the Indians' top ball carrier during the season, is shown in one of his many gains. Action takes place in the Santa Ana fray which the Indians won 12-7.

Fullerton-Santa Ana



Santa Ana ball carrier is stopped by Indians' Dick Homiczewski and Gary Price during the Indians' close, thrilling victory over the Saints 12-7.

Fullerton-Anaheim

Action taking place during the traditional Anaheim-Fullerton contest finds Fullerton's Doug Hankins picking up some good yardage on some fine double-team blocking by Roger Stull and Al Owens. In the background is the Indians' Don Vail (75).

With would-be tacklers swarming about, halfback Doug Hankins rips off one of his many gains during the Indians' titanic battle with Anaheim. The Indians handed the Colonists their first defeat in years and went on to annex the league title.

An unidentified Fullerton player is making one of the Indians' numerous tackles during their Homecoming battle with Huntington Beach. Coming up fast to help are Al Owens (30), Dwain Mitchell (51), and Carl Gregory (41).

A Dick Homiczewski pass intended for fullback Al Owens is broken up by Huntington Beach player during the Homecoming contest won by the Indians 26-0.

Another gain made possible by the Indians' outstanding line.

Hankins, on his way to set up another Indian touchdown.

Dear Mr. Pres.,

Well we've almost struggled through three long hard years of Latin. Here's hoping we both get out with a decent grade!

Speaking of Latin — its really been great working with you this year in the club. Without your time, ability, and trouble Latin Club would be "no more!" - Remember the Latin Banquet and all the fun we had?

— Now, comes our senior year. I'd like to know the year of '58-'59 will be the greatest Fullerton has seen. — We can't miss with your leading the student body.

May God bless you and guide you next year.

Luv,

Well this year has come to a wild and pitiful end, Next year should be an A-1 blast if you have anything left to do after you-know-who finishes up. Mr. Moore's office may look pretty good. You can take over the typewriter, push out the north wall and put in a band stand, sell tickets at 10 green stamps apiece to the Executive Board only, hold a noon hour dance with the Pep Band (composed of Hinde, Kell, Hines, Strange and Hockney(?)) supplying the music. By the time the Business Office catches on, you'll have filled 12 books of green stamps and you can by a one-way passage on a small cattle boat to Northern New Zealand. But we trust (?) you, the Executive Board won't be the same when Richard takes over. Well, be good this summer or have fun. (wasn't that last line terribly original?) (Indian for "good bye")

If we look bedraggled —
And burdened with care —
We've bargained and haggled —
No wonder we stare!

With unseeing gaze
We look into space,
We're still in a daze —
It's been quite a chase!

We've dug through the past
Of Fullerton High,
We're finished at last
It's time for good-bye!

So if you are able
To come back next year
Remember us fondly

Dear Richard,

Let me begin by congratulating you for (1) a job well done as our illustrious Latin club president; remember: the Latin club banquet !! parties !! L. V. L. !!! period VI !!! Ranting and roaring !!, and (2) your election as student body president for the year 1958-59. We all expect you to do a fine job.

Executive Board should be wonderful both this summer and next year. Let's make next year the most productive yet.

'Twas fun being in English III every morning second period with you. I would ask you to remember Dan Haymond, but actually we would be safer if we forgot the dear (?) boy!

Best of luck to you always, Richard. We are depending on you. You willingness to WORK, your fine personality, your F. V. H. S. spirit, etc., will, I know, lead you to great success. With the help of the Power that is, make a wonderful life out of yours. You are off to a great start.

Come to see me next year. First semester I'll be in the annual room and second semester I shall occupy space and take in the atmosphere in one room or another in the nearest and least expensive State mental institution.

Always a friend,
Valerie Wickel
